Independent auditors' report on the review of condensed consolidated interim financial information

The Shareholders Agthia Group PJSC

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of Agthia Group PJSC ("the Company") and its subsidiaries (collectively referred to as "the Group") as of 31 March 2009 and the related condensed consolidated interim statements of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated cash flows for the three months period then ended (interim financial information). Management is responsible for the preparation and presentation of this interim financial information in accordance with International Financial Reporting Standard IAS 34 Interim Financial Reporting). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial information as at and for the three-month period ended 31 March 2009 is not prepared, in all material respects, in accordance with IAS 34 Interim Financial Reporting.

3 Significant accounting policies

The accounting policies and methods of computation applied by the Group in these condensed consolidated interim financial statements are the same as those applied by the Group in the consolidated financial statements as at and for the year ended 31 December 2008.

These condensed consolidated interim financial statements are presented in United Arab Emirates Dirhams ("AED"), which is the "functional currency", rounded to the nearest thousand.

Cost of goods sold for all products as stated after the deduction of Abu Dhabi Government grant amounting to AED 69.2 million (64.7 million for the three months ended 31 March 2008), provided by the Government for holding the selling prices of its products to Abu Dhabi customers at July 2007 level.

During 2008, the Group acquired the assets and liabilities of Cold Stores, whose principal activities are the provision of cold storage facilities. The assets, liabilities and results of the period for the business have not been included in the condensed consolidated financial statements of the Group, as management are still in the process of assessing the fair values of the assets and liabilities that were acquired as the acquisition was from the Government of Abu Dhabi for no consideration; it is believed that the impact on consolidation would not be significant to the financial position of the Group.
