7. Summary of Company's performance for 2010 fiscal year:

Sales grew by 9% year on year crossing the AED 1 billion mark while profit registered a strong 8% growth. Increase in sales was mainly driven by strong Water & Beverage division performance. Although profit grew by a strong 8%, it was somewhat impacted by decline in Animal Feed profitability resulting from higher grain and outsourcing cost. Actions have been initiated to normalize the profitability of this business.

Earnings per share improved to AED 0.191 from AED 0.176 in the same period of last year, reflecting the profit growth.

12% increase in total assets versus last year mainly represents investment in fixed assets and short term fixed deposits.
